

**Full Tray - 1000mm x 750mm**

**Half Tray – 670mm x 700mm**

The Lucy Tray can be supplied as a full tray shower with toilet platform or as a half tray shower. The full tray can be installed as a left or right hand toilet with a flange on the entrance. This 40mm flange can be used to fit a screen to and can be left of any side of this tray. Just let us know if you plan to use this tray as a left or right hand toilet and we will cut the tray to size for you. Two waste outlets are moulded into the base, which is freestanding and can be glued to the floor. Used commonly in vans and small caravans/motorhomes.
