

Standard - 900mm x 760mm x 1850mm

Raised Base Height – 1950mm

The Marianne is a one piece shower cubicle that will fit through a standard doorway. This design features a low step/hob and two moulded soap holders. We recommend this model for use with a shower screen and our Rachelle High Step cubicle for use with shower curtain. The freestanding base and fixing flange make install quick and easy.
